______________________________

Students:
I HAVE READ AND AGREE TO COMPLETE THE SENIOR DESIGN REQUIREMENTS ITEMIZED ON PAGE 2 OF THIS FORM

Student Signature______________________________ Date___________

Project Advisors:
I AGREE TO ALLOW THIS STUDENT TO ENROLL IN M&AE 4291

Design Instructor Signature______________________ Date___________

THIS FORM IS REQUIRED FOR ENROLLMENT IN MAE 4291
RETURN COMPLETED FORM TO 108 UPSON HALL
Instructions for enrolling in MAE 4291

The Senior Design elective may be fulfilled by taking a designated design course, e.g., MAE 4020, 4130, 4140, 4230, 4640, 4700, or 4860 with co-registration in the corresponding 1-credit MAE 4291 section. This elective may also be satisfied by registering for at least 3 credits of MAE 4291 and participating in individual research with a faculty member or by joining a project team.

Submit the completed Project Approval Form (with project advisor’s signature) to 108 Upson. At that time, you will receive MAE approval (a permission code) to add this course electronically.

Please note that a design report, submitted to the project advisor, is required in addition to your responses to the 9 questions on the Senior Design Report Content Summary Form (which is not required until the end of the semester). Instructions on submitting your final report and the Content Summary can be found on the Senior Design Report Content Summary Form and a diagram of the process has been included below.
