

Sibley School of Mechanical and Aerospace Engineering

Commencement 2014

2014 Senior Class Representative: *Ahmed Salah Elsamadisi*

2014 Award Recipients

Outstanding Achievement Award: Awarded to a graduating student who has achieved the highest academic standing in the Master of Engineering Program

Award Recipient Adam Trofa

The Sibley Prize: Awarded to two Mechanical Engineering students who have achieved the highest academic standing in the B. S. Program.

Award Recipients Kyu Paek (Jeff) Rah, Daniel Floryan

Thomas J. and Joan T. Kelly Prize: Awarded to undergraduate students displaying excellence in aerospace engineering, as demonstrated through coursework or an innovative design project.

Award Recipients: Jovanny Fuentes; Rehan Pankaja Kaluarachchi; Craig Chan; Lisa Li; Christina Middleton

Outstanding Senior: Awarded to an undergraduate student who has exemplified strong leadership skills, raising awareness of the Cornell chapter of ASME, through outreach, social and professional activities.

Award Recipient: Jeffrey Lew

Walter Werring Prize: Recognizes talented and dedicated undergraduates who have enhanced the Cornell community, excelling in a manner befitting the reputation of the Sibley School.

Award Recipients: Stephanie Locks; Natali Vannoy

Frank O. Ellenwood Prize: Awarded to undergraduate students with the highest GPA in heat and power courses.

Award Recipients: Daniel Floryan; Judy Kim; Timothy Reiber

McManus Design Award: Awarded for best technical paper of single or joint authorship presenting an original solution to a design problem or project.

Award Recipients: Jenna Witzleben; Wei-Chih Kuo; Adam W.S. Lowery

R.N. Janeway Automotive Engineering Award: Awarded for technical paper of single or joint authorship presenting an original proposal for an improvement in automotive vehicles.

Award Recipient: Nathaniel Gilbert

Bart Conta Prize in Energy and Environment: Awarded for best work on a research or design project dealing with energy and the environment.

Award Recipients: Sebastien Lachance-Barrett; Naomi Weisz; Michael Walsh; Laura Nielson; Andrew Vaslas

Sibley Prize for Excellence in Graduate Teaching Assistance: Awarded to Ph. D. students, recognizing their dedication and excellence as teaching assistants for Sibley School courses.

Award Recipients: Matt J. Leineweber, Boris Kogan

H. D. Block Graduate Teaching Prize: Awarded to a Ph. D. student, recognizing their dedication and excellence as a teaching assistant in Engineering Mathematics and Engineering Mechanics

Award Recipient: Abhishek Srivastava
